ENTERPRISE CAPABILITIES BRIEF

# Intelligence at the speed of opportunity.

*A 4 week discovery sprint. A 9 vertical solution map. Same partner team, AI first operating model.*

## AIHUBZ in five numbers.

An AI native consultancy operating from Dubai. Six active enterprise clients across nine industries. Bilingual EN · AR delivery built into every engagement.

GCC MARKETS

## The platform behind every engagement.

### ORCHESTRATOR

#### Multi model AI router

Routes every task to the model best suited for it. Anthropic, OpenAI, Google, Grok, local Llama. Unified by a canonical IR.

### MEMORY

#### 70K+ retrieval store

Project history, regulatory corpora, client knowledge bases and OSINT signals indexed across our vector store.

### INFERENCE

#### GPU accelerated

RTX class local compute for image and document workflows. Sub second latency on bilingual deliverables.

### LANGUAGES

#### Native EN · AR

Translation handled at the model layer, not via SaaS pipelines. Tone faithful, legal grade, on shore.

## Five productised SKUs, live now.

Fixed price, AED quoted, deployable in days. The flagship Voice Agent SKU runs Gulf dialect Arabic + English 24/7.

**FROM AED 2,999**

### AI Voice Agents

Native AR/EN switching, TDRA compliant, OpenAI · Retell · Twilio stack. Books, qualifies, escalates. WhatsApp + CRM handoff included.

**FROM AED 1,500**

### Smart Chatbots

Conversational AI across WhatsApp Business, Instagram, Messenger and your website. Knowledge base trained on your docs.

**FROM AED 2,500**

### Website Development

Next.js sites that ship in days, score 95+ Lighthouse, rank for the keywords that matter. Free 30 day post launch tuning.

**AED 500 TO 5,000 / MONTH**

### Social Media Management

AI assisted content factories. Posts, reels, ads. With monthly performance reporting. Bronze · Silver · Gold tiers.

## Nine verticals. One operating model.

Each vertical maps to a 4 week discovery sprint then a compound retainer that adds the next vertical as the system proves itself.

### LEGAL

#### Legal & Dispute Resolution

OSINT powered counterparty intelligence, automated clause analysis, bilingual EN/AR memorandums. JESCO 17 ground memo shipped in 48 hours.

### FINANCE

#### Finance & Investment

Algorithmic sentiment, ADX/DFM/Tadawul monitoring, AI generated investment reports. Portfolio analysis, cashflow forecasting, M&A diligence.

### REAL ESTATE

#### Real Estate Intelligence

Programmatic SEO at portfolio scale, AI generated market reports, investor matching. Predictive pricing and demand modelling.

### AUTOMOTIVE

#### Automotive & Mobility

Brand launch playbooks, OEM market entry, DMS implementation, used car pricing intelligence. Elite Group × Jetour benchmark.

### HR

#### HR & Talent

Predictive attrition, automated headhunting, role fit scoring. UAE labour law compliance (MOHRE, WPS, end of service). Emiratisation.

### CUSTOMER SERVICE

#### Customer Service

Voice native autonomous agents (AR/EN). B2B account health monitoring. Real time conversation analytics and coaching.

## Five phases. Three commercial paths.

Where traditional firms run a quarterly engagement, AIHUBZ runs a sprint. Same depth, a tenth of the calendar.

### The 5 phase sprint

- **P1 Diagnose.** Stakeholder interviews, data audit, problem definition. Three working days.
- **P2 Analyse.** AI accelerated research across regulatory corpora and competitor intelligence. Three working days.
- **P3 Strategy.** Build deliverables, prepare bilingual presentations, validate with the partner team. Five working days.
- **P4 Execute.** Pilot with measurable KPIs, weekly stand ups, course correction. Two weeks.
- **P5 Follow up.** Monthly review, next P1/P2 added only when previous system proves itself. Models retrain on your real data.

### Commercial models

Discovery sprint, 4 weeks	AED 35,000
Solution build, single vertical	AED 95,000
Compound retainer, per month	AED 28,000
<b>Indicative Year 1 total</b>	<b>AED 410,000</b>

## Decision grade work, shipped.

### JESCO SAUDI · LEGAL DEFENCE

#### SAR 1.45M penalty dispute, 48 hours

17 ground legal memorandum (EN+AR), executive summary, supplementary memo, evidence pack. OSINT on opposing party uncovered their own SAR 50.1M government penalty exposure. Penalty reversal in active negotiation.

### GE HEALTHCARE · MARKET INTELLIGENCE

#### PCCT category, 12 GCC market scan

Demand forecast, regulatory landscape, competitor positioning. Single dashboard, board ready summary, refreshed monthly. Informed the H1 2026 commercial plan.

### ELITE x JETOUR · AUTOMOTIVE LAUNCH

#### Brand launch playbook, GCC entry

End to end OEM market entry. Dealer Management System implementation advisory, used car pricing intelligence, showroom location strategy. First six dealerships now live.

### UAE PRIVATE WEALTH · PORTFOLIO

#### Bilingual institutional reporting

Full portfolio analysis with yield curve overlays, scenario rebalancing recommendations. Native English + Arabic, no external translation. Recurring quarterly engagement.

## **Compound, not theoretical.**

The next vertical is added only when the previous one is operational and producing measurable returns. No staff augmentation. No 90 page decks. Every month adds a new working system.

### **Discovery sprint, AED 35,000**

- 4 weeks, 5 phase methodology, partner led.
- Deliverables include strategy document, operating model recommendation, AI tooling stack.
- Bilingual EN/AR readout for board or family office.
- Output is yours to keep regardless of whether you proceed to build.

### **Solution build, AED 95,000**

- Single vertical, end to end. Voice agent, chatbot, data pipeline, dashboard, depending on vertical.
- Includes 30 day post launch tuning and retraining.
- SLA on response time and resolution baked in.

### **Compound retainer, AED 28,000/month**

- Adds new verticals as the previous one proves itself.
- Includes monthly model retraining on your real production data.
- Includes priority support, on call response, partner level escalation.

## **Partner led, every engagement.**

Eighteen specialists in house. Every engagement has a named partner. Every deliverable is partner reviewed. No back office handoffs.

### **Languages**

English and Arabic, both native. Handled at the model layer, not via third party translation pipelines. Bilingual deliverables on request. The JESCO memorandum was produced in EN + AR inside 48 hours, no external translator required.

### **Confidentiality**

NDA's and DPA's available. Rigorous access controls and audit logging across every engagement. Client data never leaves our infrastructure unless explicitly authorised.

### **Geography**

Dubai HQ, primary coverage across UAE, KSA, Kuwait, Bahrain, Oman, Qatar. Cross border legal and commercial fluency in house. Active engagements with anchor clients across all six GCC markets.

NEXT STEP

# Book the listening session.

*30 minutes. We listen to the problem, then come back with a one page plan and a fixed price. No 90 page deck, no obligation.*
